Passenger Elevators

These elevators are most commonly in use and requires optimum utilization of building space with affordability

We at ASR Elevators meet the requirement with our machine room (with compact machine size) and machine room less elevators.

This work shall be done in accordance with the provisions of the Local Lifts Authority rules and shall also conform to the requirements of local municipal bylaws, and subsequent provisions, as also any state or local act in force and latest Indian Standard 14665 and all latest applicable BIS, NBC code and 'CPWD' General Specifications for Electrical Works (Part III, Lifts & Escalators) 2003.

Residential Cum Villa Elevators

This series of elevator solutions have both luxury and comfort.

ASR Elevators provides elegant designs with compact size for residential cum villa elevators.

Panoramic/Observation Elevators

These elevators move without any hoistway. With glass cabin we can view world around us even while in motion. It is a really a thrilling experience to see oneself moving vertically with respect to the surrounding world.

Freight Elevators

For commercial purposes like in warehouses, workshops, factories, cargo industries etc. ASR Elevators designed heavy duty elevators to move goods between floors. With their rugged structure they are able to withstand wear and tear. Their carrying capacity is also increased considerably to meet industry demand.

Hospital Bed Elevators

Medical service Industry is critical life saving sector. Here in multistory hospitals elevators are critical infrastructure for patients and medical staff.

Our Hospital Bed Elevators provide faster and smoother ride without jerks. These elevator cabins are made spacious in order to move bed ridden patients more conveniently.

Automobile Elevators

Automobile Elevators are in demand in latest automatic multistory parking.

Automobile elevators need more power and faster movements between various floors of parking.

ASR Elevators meet these criteria to make multistory parking a viable option in our urban infrastructure.

Dumbwaiter Elevators

Dumbwaiter elevators are integral part of hotel and hospital industry infrastructure. Dumbwaiter elevators improve the service standards in these sectors. ASR Elevators meet the demand of fast elevators with elegant designs with our latest dumbwaiter series.
